

The waters

Ken Anucha

CHORUS

I need the waters
To flow from my heart
I need the waters
To flow from my soul
I need the waters
To flow from my spirit
Spirit of God
I need an overflow

VERSE 1

Holy Ghost come
My soul thirsts for you
As it was on the day of Pentecost
Come and manifest yourself
Rivers of living waters
Jesus promised you
Let the waters flow from me
Let your power fill this place

VERSE 2

The waters quickened Jesus
And raised him from the dead
Let the waters quicken me
And oust every dryness from my life
Spirit that raised Jesus
I am your temple
Let the waters purge me now
And make me conform to your desires

BRIDGE

Spirit of God
Spirit of Truth
My Paraclete
I need an overflow
