

# The name of Jesus

**Rose Japii**

Jesus, nothing you cannot do.  
At the name of Jesus, even mountains move.  
I am THAT I AM, there is nothing too hard for You.  
The great Almighty God will do what He says Hell do.

Repeat

CHORUS:

JESUS 4X

The Spirit of God is turning things around.  
The living word is taking over now.  
In the name of Jesus nothing we cannot do.  
The great and mighty God will do what He says Hell do.

Repeat

CHORUS:

JESUS 4X

My God, theres nothing You cannot do.  
Jesus, Youre more than enough o.
