Our God is good  
His mercy shall, endure for life  
And we will say (that), our God is good  
His mercy shall endure for life

Those who are hungry, He gave food to eat  
Those who are Thirsty, Drink from the well  
But now life eternal He gives to you and me  
So we can testify that God is good.

Peace that knows no end  
Beauty for Ashes
