Na good tory we go dey [It will be good stories well]tell when we see again  
Of how God don bless [blessed]me and bless you too  
I go always pray for you

And even if I far from you  
You go always be in my heart this na [is] true  
I just wan let you know say, whatever I do  
I go always pray for you

We go surely meet again, And when we meet again  
None of us go dey [will be] in chain  
But na from glory to glory in Jesus name  
We go surely meet again  
If I offend you before forgive me  
So that when we see again, You no go get BB [bad belle] for me
