

# Nothing to Lose

Loyiso Bala

You said I am protected  
In Your word I am connected  
Weapons may rise up against me  
But theyll fail because You are with me  
I put on the armour of God  
I am secured in victory  
I will rejoice in knowing  
You will always see me through  
Ive got nothing to lose  
Not a thing can hold me down  
Cause Im free  
And Ive given my life to Jesus  
Im protected  
By the blood of the Lamb  
Ive got nothing to loooooooooooooooooose  
Oh Ive got nothing to loooooooooooooooooose  
Oh Ive got nothing to lose  
All things are possible  
Through Christ who gives me strength  
In Him I live and move and have my being
