

Centre of My Life

Uty Pius

Verse 1

I have my eyes on you
So I wont go down
You are the centre
Centre of my life
You are the focus
You have the first place
You are the centre
Centre of my life
Oh yes you are
Oh yes you are

Chorus

You are holy gracious you are
Youre taking me higher
In the waves of your glory
Precious Jesus
you reign in majesty
I will soar with you my Lord
Dwell in your presence
Nothing else matters but you

Verse 2

You are royalty
I am secured
When Im down
Your love lifted me
Mighty are your miracles
My deliverer
You are the centre
Centre of my life

Chorus

You are holy gracious you are
Youre taking me higher
In the waves of your glory
Precious Jesus you reign
Im majesty
I will soar with you my Lord
You are holy gracious you are
Youre taking me higher
In the waves of your glory
Precious Jesus
you reign in majesty
I will soar with you my Lord
Dwell in your presence

Nothing else matters but you
Nothing else matters but you
Nothing else matters Jesus
Nothing else matters but you
