Hassel

Intro

Yeah, all the glory,
All the praise, yeah

Verse 1

I give you all the glory
I give you all the praise
Coz you deserve all of me
Lord I give you all the glory
I give you all the praise
Coz you deserve all of me, yeah

Chorus

You deserve, You deserve Lord
You deserve every bit of me
You deserve, You deserve
You deserve every bit of me, yeah

Oh oh, oh oh

Oh oh God you deserve me

Verse 2

I never really had no one who could love me like You do
Not my father or my sweet mother
None compare to you
When they all took to flight
You were here with me, for that I will always be thankful
Lord It's you that gives me life
It's you that gives me hope
You'd make your will for my life come through
And I know you'd never lie
I know you'd never fail
I put all the trust I have in You

Chorus

You deserve, You deserve Lord
You deserve every bit of me
You deserve, You deserve
You deserve every bit of me
You deserve, You deserve Lord (You deserve all of me)
You deserve every bit of me (You deserve all of me)
You deserve, You deserve
You deserve every bit of me

Bridge

My life and spirit, my soul and body
You deserve, you deserve
All the glory and all the praises you deserve
Hmmmm, Hassel!

(Hassel)

Verse 3

See the Christ within
How he set me free
How I crossed the grim
How I learnt to swim
Higher than the tides
Heres the higher life
heard the fathers call
Now I am a son
No he never fails
For his word prevails
He has torn the veil
I am stuck in Grace
I have seen his face
I grow in the same
He has painted a picture with perfection in it
So I look and I see me
The future now is clear
this is for the times when people left and he was near
This is for the price he paid for me to bring me here
He deserves my everything, his goodness I will cheer
He has won my life
To live for me is Christ
Joy Him is priceless
I am soaring heights
he has won it all
He erased my faults
I am done with guilt
Now I am bearing fruits
Yo my God is good
Im a living proof
Blown beyond the roof
Always speaking truth
Lifes about his business
Im a living witness
He deserves it all
Hears me when I call..
Hes called me forth to greater things, so I praise
I know that he is coming back, so I wait I am looking unto Jesus: I got all day
I am burning for the father, I am son-saved

Outro

You deserve all of me oh God
You deserve all of me
You deserve all of me
