

# Let It Rain

Sonnie Badu

If this is your power  
If this is your glory  
If this is your presence  
Then let it rain Let it rain all over, let it rain all over me  
Let it rain all over, let it rain all over me  
Let it rain all over, let it rain all over me (continue)  
If this is your power  
If this is you glory  
If this is your presence, let it rain  
Let it rain all over me  
Let it rain all over me  
Break me, mould me, fill me use me  
Use me for your glory  
Let it rain on me
