

# Praise Him

Tosin Oyelakin

Bless the Lord oh my soul  
Let all that's within me praise His name  
He is the Lord over all the earth  
Let the whole earth praise Him  
Praise the Lord  
Lift Him high  
Worship Him  
He alone is worthy  
Praise Him  
Praise Him  
Praise Him  
He alone is worthy  
From the rising of the sun  
Until the going down of the same  
The name of Jesus shall be praised  
For ever and ever and ever x2  
Praise the Lord  
Lift Him high  
Worship Him  
He alone is worthy  
Praise Him  
Praise Him  
Praise Him  
He alone is worthy  
Bow before the throne of the Father  
Join the angels and the elders  
To give Him the praise  
He's the Lord, He reigns in all the earth  
To Him alone be the glory and honour  
Power and praise  
Praise Him  
Praise Him  
Praise Him  
He alone is worthy  
Praise the Lord  
Lift Him high  
Worship Him  
He alone is worthy  
Praise Him  
Praise Him  
Praise Him  
He alone is worthy
