

Jesus Iye

Nathaniel Bassey

Jesus Iye, say
You have done it again
Jesus Iye
In your special way
What was impossible
(Baba) You made possible
Jesus Iye
Eh
Let's go, let's go
Jesus Iye
You have done it again
Jesus Iye
In your special way
What was impossible
You made possible
Jesus Iye
Sing it one more time
Jesus Iye
Jesus Iye
You have done it again
Jesus Iye
In your special way
What was impossible
Baba, You made possible
Jesus Iye
Now listen
I almost gave up
When it seemed it was impossible
When the odds were up against me
And there was no way, eh
It seemed all over
Then you spoke into the dry bones, eh
And what was impossible
(Baba) You've made possible
Jesus Iye
Eh, Jesus Iye
Jesus Iye
You have done it again
Jesus Iye
In your special way
What was impossible
(Baba) You made possible
Jesus Iye

Prophesy to someone now
Jesus Iye
You have done it again
Jesus Iye
In your special way
What was impossible
(Baba) You made possible
Jesus Iye
Listen to this, eh
I almost let go
When the violent storm was raging
And the night was long and lonely
It looked like, there was no hope, eh-eh
Then I cried out to You
And You spoke into the darkness
"Let there be light"
And what was impossible
You made possible
Jesus Iye
Eze
Jesus Iye
You have done it again
Jesus Iye
In your special way
What was impossible
You've made possible
Jesus Iye
Eh, Jesus Iye
Jesus Iye
You have done it again
Jesus Iye (eh)
In your special way
What was impossible
(Baba) You made possible
Jesus Iye
Can guitar man prophesy
Listen
How will you dance when He has done it
One more time, prophesy
Let me hear you sing
Jesus Iye (all the brothers)
You have done it again
Jesus Iye (all the ladies)
In your special way
What was impossible
(Baba) You made possible
(Your prophesy) Jesus Iye
One more time, only the ladies
Jesus Iye

(Brothers where're you)
You have done it again
Jesus Iye
In your special way
What was impossible
(Baba) You made possible
Jesus Iye
What was impossible
You made possible
Jesus Iye
What was impossible
You made possible
Jesus Iye
What was impossible
(Again) You made possible
Jesus Iye
What was impossible
You made possible
Jesus Iye
Let's call his name
Jesus, Jesus Iye
Jesus Iye
You have done it again
Jesus Iye
In your special way
What was impossible
(Baba) You made possible
Jesus Iye
For the last time
Call that name above all name
Jesus Iye
You have done it again
Jesus Iye
In your special way
What was impossible
You made possible
Jesus Iye
Somebody is going to get to the office
And you will say Jesus Iye
You have done it again
A woman who has been waiting for a baby
What they said, was impossible
You made possible
Jesus Iye
