Oke miri dinuzo, aha gi bu Jisos

(The great river by the road, your name is Jesus)

Otu idi na mbu, otua ki ga digide

(As you were from the beginning, so shall you be evermore)

Jehovah Shammah, Jehovah Nissi

You are the peace o, the banner over me.

Ide nke ji mba (the pillar that holds the city), your river never dries

I salute you my God o, come and take your place
