

For You

Cobhams Asuquo

Verse 1

Like a river needs the stream
Like the grasses need the dew
Like the sailboat needs the wind
Oh Lord my soul thirsts for you
Im a withered leave in June
Im a morning without dew
Im just a lonely afternoon
Oh Lord my soul thirsts for you

Chorus

Oh Lord you are my shelter
And Lord you are my help
Oh Lord you are my anchor
Let me hide in you forever
My soul thirsts for you

Verse 2

Like a merchant seeks his gain
Like a desert needs rain
Fill my heart with you again
Oh Lord my soul thirsts for you
Im a hungry suckling child
Im the dried-out River Nile
Through my toil, my tears, my trials
Oh Lord my soul thirsts for you

Repeat chorus /2x

Like a heavy load to bear
Like a barren womans prayer
Hear me Lord I know youre there
Cause oh Lord my soul thirsts for you

Repeat chorus /2x

And as the deer panteth for the water so Lord
My soul thirsts for you
