

Jesus Everywhere

Joe Praize

I see the future
Everyone talking about my Jesus
I see the future
Everyone singing about my Jesus
I see musicians playing
Playing for my Jesus
I see the people dancing
Dancing for my Jesus
Jesus in every place
Jesus in every house
I see there is jubilation
Celebration everywhere
Chorus
Shout hallelujah, Hallelujah
The name of Jesus everywhere, hallelujah
Jesus everywhere oh oh oh
Jesus everywhere eh eh eh
All around all around all around JESUS
Everywhere everywhere everywhere JESUS
This future is clearer now
Cos Jesus is still around
He's still doing good
I see him melding broken heart
I travel to the North
Jesus everywhere
I travel to the East
Jesus everywhere
I travel to the West
Its Jesus everywhere
Even in the South
Its Jesus everywhere
Chorus
Shout hallelujah, Halleluja
The name of Jesus everywhere hallelujah
Jesus everywhere oh oh oh
Jesus everywhere eh eh eh
All around all around all around JESUS
Everywhere everywhere everywhere JESUS
