

Chioma

Steve Williz

Verse

Youve been so good to me
I cant express the way I feel
You never fail me no
You are a faithful God
With my hands lifted high
And my voice to you I sing
My dependable God
Jehovah El shaddah
You are the living God
There is no one like you
The beginning and the end
I stand in awe of you
And I call you

Chorus

Chioma Mai 3x
(Good God)
There is power in your name
You are a mighty God
