

Tell the world

Footprint 5

Verse 1:

I'll lift your praise throughout the earth
Proclaim your awesome mighty works
Won't be afraid to raise it loud
Sing of your love till the whole world knows
Oh how you rescued me and made me Brand new
You gave your all for me, oh what a friend I have in You

Chorus:

Tell the world that Jesus loves me
Raise my voice and shout it out loud
Tell the world that Jesus loves me
And I... I love Him
Glad he went to Calvary
Died for me and set me free
Tell the whole world that my Jesus loves me

Verse 2:

You are my strength when I am down
You're there when everyone is gone
Your faithfulness will never end
Your mercies are new every morn'
I don't fret 'cause I know you won't forsake me
I don't need nothing else, your love is more than enough for me

Chorus:

Tell the world that Jesus loves me
Raise my voice and shout it out loud
Tell the world that Jesus loves me
And I... I love Him
I'm glad he went to Calvary
Died for me and set me free
Tell the whole world that my Jesus loves me

Vamp:

Tell the world, tell the whole world
Tell the world that Jesus loves me
Shout it out from the roof top
Tell the world that Jesus loves me
