

# Great Jehovah, Great I Am

[Nathaniel Bassey](#)

From the rising of the sun  
To the setting of the same  
May your name alone  
Be Praised

Great Jehovah, Great I am  
From the rising of the sun  
To the setting of the same  
May your name alone  
Be Praised

Great Jehovah, Great I am  
Great in Mercy  
Great in Love  
Oh your goodness  
We have seen

Great Jehovah, Great I am  
Great Jehovah, Great I am  
From the rising of the sun  
To the setting of the same  
May your name alone  
Be Praised

Great Jehovah  
Great I am

Great in Mercy  
Great in Love  
Oh your goodness  
We have seen

Great Jehovah, Great I am  
Great Jehovah, Great I am  
Great in Mercy  
Great in Love

Oh your goodness  
We have seen

Great Jehovah, Great I am  
Great Jehovah, Great I am  
Great in Mercy  
Great in Love

Oh your goodness  
We have seen

Great Jehovah, Great I am  
Great Jehovah, Great I am  
Great in Mercy  
Great in Love

Oh your goodness

We have seen  
Great Jehovah, Great I am  
Great Jehovah, Great I am  
Great Jehovah, Great I am  
Great Jehovah, Great I am  
Great Jehovah, Great I am  
Great Jehovah, Great I am
