

Brand New Life

Defayo

Intro:

Stop arguing, arguing
Doubting, debating
What does the word say?

Verse 1:

I dont understand the reason why were acting like the Word of God aint true
No situation or mistake could separate us from Him, why do you reject this truth?

Open up the book of Romans
Chapter One to Eight, meditate on the word yeah
I see with my very eyes
I could pay the price, the Lamb is the sacrifice
So I rejoice in this revelation
My redemption is sure
I speak of His sweet love
Tell the whole world!

Chorus:

Live it up!
Brand new life, live it up! x2
Brand new yeah
Im free yeah
(Repeat)
Refrain:

(What does the Lord say?!)
Died for ya
I would go the extra mile for ya
Why you worried you will miss Heaven?
When My shield is upon your heart yeah
I got love for ya
I will lavish all this love on ya
Why you worried by the enemy?
When My shield surrounds your house yeah

Verse 2:

Who will ascend unto the Holy Hill?
Back then, they found nobody!!
These days, who got access guaranteed?
Were the ones cos we bank on the blood yeah!!
We were stuck in the mud
So He came from above
Then He showed how to walk all that talk yeah
Now were risen with the Son
Reflecting glory of God
Were the light of the world and we shine yeah
Who shot the devil? They dont know its me

Rest in the finished work, Christ is in me
Dont mean to brag, I just want you to see
You got power, You got victory
In the Most High Im dwelling
Its paid for, no rental
So so conneceted to the Spirit like hotspot
Seated with the Father in Heavenly places, Airforce
You know were fly, we will never fall No!
Chorus
Live it up!
Brand new life, live it up! x2
Brand new yeah
Im free yeah
(Repeat)
Call & Response:
One time for my brothers repping non-stop
Two times for my sisters praying everytime
x4
Refrain:
(Let the church say!!)
Died for ya
I would go the extra mile for ya
Why you worried you will miss Heaven?
When My shield is upon your heart yeah
I got love for ya
I will lavish all this love on ya
Why you worried by the enemy?
When My shield surrounds your house
Your house
End.
