

Shelter

Segun Israel

You will never forsake me
You will never leave me
Thats what you said, to me
Though the darkness surrounds me
And the pains all around me
I can depend on you
Im standing on your word
Your promise are sure

Chorus

Youre my shelter in the storm
Youre my shelter
Youre my keeper all day long
Youre my keeper
Youre my shelter in the storm
Youre my shelter
Youre my keeper all day long
Youre my keeper
I will wait on you
I will trust in you

Verse 2

Some may trust in horses
And others in their chariots
But only your name can save
You are invisible
You are magnificent
Youre God my keeper
Im basking in your grace
The victory is won

Chorus

Youre my shelter in the storm
Youre my shelter
Youre my keeper all day long
Youre my keeper
Youre my shelter in the storm
Youre my shelter
Youre my keeper all day long
Youre my keeper
I will wait on you
I will trust in you

Vamp

Shelter in the storm
Youre my shelter
You keep me every day and every night

Because youre my keeper
Lift your voice and say
Shelter.. Shelter
Keeper Keeper
Shelter.. Shelter
Keeper Keeper
