

Settle For Less

Khaya Mthethwa

And we will never settle for less
We know there's more that's found in You (Repeat x?)
It's in You Lord, It's in You Lord
We know, there's more that's found in You (Repeat)
(From the top)
I'm in You Lord, You're in me Lord
I know, there's more that's found in You (Repeat)
