Somebody Knows- Eph 6:6-8

Verse 1:

I used to think Nobody knows
Nobody knows ma name
Nobody knows what today holds
Nobody knows tomorrow
I used to think Nobody knows
Nobody knows what my future holds
Nobody cares even if I live or die
Nobody knows what Im going through

Verse 2:

Then I found out
That Somebody knows
Somebody knows ma name
Somebody knows what I dreamt about last night
Somebody knows tomorrow
Somebody knows
Somebody knows all I put in
Somebody knows about ma sleepless nights
Somebody knows even when nobody knows

Chorus:

Somebody knows when youre crying
Those hurt and pain inside
Questions that you need answers to
Somebody knows
Somebody knows all that you need
Thats why he sent him to you
So youll only have Joy inside
Feel peace inside
And answers to the questions in your mind
Somebody knows
You have all that u need!
Cos Somebody knows

(Interlude)

Verse 3:

Somebody knows
Somebody knows your name
Somebody knows all you put in
Somebody knows what you do everyday ay-ay
Somebody knows
Somebody knows all that you did
Somebody knows
You see youre important you cant die no more

(Repeat chorus)
