## T Sharp

### Verse 1

Theres no mountain too high theres no river too wide  
to take me off the way  
whatever Lord You say  
Im not afraid to wait to see another day  
Cos Ive learned to trust in You  
and this is just my way

### Chorus

Great and mighty God  
Kileolese kileolese kileolese  
with You Im not alone  
Kileolese kileolese kileolese

### Verse 2

When the fire burns  
I know I wont be hurt so Im not dismayed  
and when the river floods  
I know I wont be drowned, I know Im not afraid  
cos Ive learned to trust in You  
and this is just my way

### Chorus

Oluwa nbe leyin mi  
eru o ba mi mo ki lota mi fe ra nigba mi ye  
esu ti te o o ti te o Jesu ti joba

### Chorus

You make rivers in the deserts  
You turn wilderness to fruitful fields  
Christ in me is the hope of glory  
kileolese Olorun baba mi  
You open blind eyes, unstuck deaf ears  
what cant You do my God  
You parted the red sea  
made a way for Israel to go  
with You Im not alone, You are my God
