Verse 1

One voice

Our praise

One song

Hands raised

This is a anthem for all our days
Coz there was a price that my Jesus paid
He put his life on the line to save
A man that was dirty and I wasnt of
Worthy of
love that was given and still I received it
And now I can boast in nothing but cross of Jesus

We are saved: he is in us

We are Graced: he has given us everything.

Blood for a curse to free us

Blood on a cross now see us

Living the holy life, we are wholly saved

Once and for all is the way he paved

Its by his power that we are raised

This is the hour so we will praise

Here is the reason that Jesus came

This is the time for the world to change

This is the life that the father gives

Yeah he was dead now in heaven lives

Great is the love that the father shows

I am forgiven now power flows

Now I am led by the Holy Ghost

His word is fire shut up in my bones

Chorus:

Clap your hands hail the king

Clap your hands he is here

Clap your hands we are free

Clap your hands for victory

Call: Let me hear you clap

Resp: The Lord has been good to me i clap

Call: Let me hear you clap

Resp. I can testify of his grace i clap

Call: Give it to Jesus clap

Resp: The Lord has been good to me i clap

Call: Let me hear you clap

Resp: I can testify of his grace i clap

Verse 2

Hands for the man up in heaven he is

I wear designers but that ain greatness

You got the genes but ur looks are baseless

Compared to the place that the father placed us..

Yh I will shout for his glory omeh oo

Korin Jesu titi dojo ale oo

Thank you for gravity thank u for grace

Great is your goodness, oh God u are

Life for the rich and the poor

Blood that you shed is for all

Mercy for all that will call

Forgiveness for all of our faults

Love that has conquered our sins

Life that is stronger than death

No condemnation, mercy wins

I came alive by his breath

See God is my everything

My hands they were made for him

The world is a stage

So I showem the Christ within

I hit them with kindness

The devil cant stop this

No killing my enemies

Coz Jesus is peace

Calm in the storm

Solution for all

washed in the blood

This is all I am grateful for

Heres the reason why Jesus came

For salvation a lamb was slain

For the nations he took the pain

Broke the chains and he set me free

I am living as Jesus will have me be

I am chilling coz heaven is pleased with me

Ive been healed and I stand as a living proof

Have a taste and u see that my God is good

I am living a life on another level

Coz God don defeat the devil

All the problems are gone down down

Tellem Jesus is the Lord of all.

Out-throw

Now blessed by the God and Father of our Lord Jesus Christ who has blessed us with all
spiritual blessings in Christ Jesus in heavenly places ..

Glory to God.. Glory to Jesus
