

Divine intervention

Stanley Iro

VERSE 1

When God is at work
We'll say that man has prayed
When man is blessed,
We'll say that God has favoured him
But there are some times
Even before man prays
The lord will fight for him,
The lord will work for him,
The lord will stand for him

CHORUS

Divine intervention,
God is working for your good
Divine intervention
God go do am for you
