

Holy Spirit my helper

De Octave

Holy Spirit, My Helper
Come take control
Holy Spirit, My Helper
come take control
I can't do without you
Come take control
There's no me without you
Come take control
Holy Spirit, My Helper
Come take control
Holy Spirit, My Helper
come take control
I can't do without you
Come take control
There's no me without you
Come take control
You're my Helper and comforter
Come take control
You're my Healer, my deliverer
Come take control
I can't do without you
come take control
There's me without you
Come take control
I cannot do without You oh God
See I'm complete with You
I'm complete with You
I'm lost without You
I am lost without You
Come! Come! Come! Come!
Holy Spirit
I need You right now
I need You right now
Come take control
There is no me no me no me no me
I need you're Help
Come Holy Spirit
I cannot do without You
I will be lost without You
I need You! I need You Holy Spirit
There is no me, there's no me oh o o o
I cannot live without You
I cannot breathe without You

I cannot think without You
There is no me without You
Come! Holy Spirit
Come take everything Lord
All of me God oh o o o oo
Come Holy Spirit we beg you now
Please come and take contro
