

Very Big God

Frank Edwards

Hehe (Frank Chuckles)
But the next song is your favourite, Very Big God.

Verse 1:

She's been praying to the Lord for a baby
Its been ten years and it seems all hope is gone
Sister Mary wipe your tears and don't you worry
It won't be long
You will sing a song
He can hold the tears in eyes and every heart
The doctor said they got few days to live
Ugochukwu dry your eyes and cry no more
Whose report, will you believe?

(Sing this song with me)

Chorus:

I have a very big God o
He's always by my side
I'm not afraid of tomorrow
Eze Jesus is my very big God
I have a very big God o
He's always by my side
I'm not afraid of tomorrow
Eze Jesus is my very big God

Verse 2:

Now everybody is screaming hallelujah, Oh yeah
Sister Mary put to bed
On her knees she's saying thank you, thank you Jesus
She's smiling now
She got a song
And he can hum it, Scream it loud And jump it up
The doctor say the sickness is no more
Through this eyes tears of joy came rolling down
He had a smile
And he got a song
(Everybody sing with me)

Chorus:

I have a very big God o
He's always by my side
I'm Not afraid of tomorrow
Eze Jesus is my very big God
I have a very big God o
He's always by my side oh
I'm Not afraid of tomorrow
Eze Jesus is my very big God

(Put your hands together)

Chorus:

I have a very big God o

He's always by my side

I'm not afraid of tomorrow

Eze Jesus is my very big God

I have a very big God o

He's always by my side

I'm not afraid of tomorrow

Eze Jesus is my very big God
