

Your grace

Lizzy Folorunso

Thousands of Tongues are not enough to sing to Praises
Eternity is too short to count all the blessings We receive from you daily..

Oh I say

Oh..

Oh..

No because say I too fine
No because say I too holy
No because say I too strong
Na Your Grace dey make me Shine
No because say I too fine
No because say I too holy
No because say I too strong
Na Your Grace dey make me Shine
No because say I too fine
No because say I too holy
No because say I too strong
Na Your Grace dey make me Shine

Oh oh oh.

Oh oh oh.

In Him We have redemption through His Blood..
The forgiveness of Our sins in concordance with His riches of His Grace

Na Your Grace dey make me Shine

Na Your Grace dey make me Glow..(everywhere I go)

Na Your Grace dey make me take territory.

Na Your Grace dey make me Shine.(Everywhere I go Everywhere I am)

Na Your Grace dey make me shine /8x

I dey Shine I dey Shine ..shine shine

(In every situation I keep shining..Because I am a Child of God).
