

iFlourish

Rozey

Verse 1:

I can hear the spirit of the Lord,
saying to me
Where I'm heading to is greater than where I'm coming from
The greater one lives inside of me
I'm not moved by what I see
I am born of God, I overcome the world
The vessel of the Lord is who I am

Chorus:

The spirit of the Lord is in this place
I can feel His presence everywhere
I can hear the voice of the Lord
Saying my time is now
I flourish on every side
My time is now
I flourish on every side
My time is now
I flourish on every side
My time is now
I flourish on every side

Verse 2:

Another day is here again
And We keep spreading on every side
The glory of the latter days is greater than the former
For our God is more than able
Because we born of God
We have overcome the world
The vessel of the Lord is who we are

Repeat Chorus

Bridge 2x:

We will never fail no never
Were planted by the river side
Our leaves never wither
We will never fail no no no never
Were planted by the river side
Our leaves never wither/2x

Oh oh

I Flourish on every side
Because my hands are blessed, yeah
I Flourish on every side
In every step I take
I Flourish on every side
I am a blessing to my world

I flourish on every side
Say it for yourself
I Flourish on every side
My leaves are ever green, yeah
I Flourish on every side
Yes I fly on eagles wings
I Flourish on every side
This is my time
I flourish on every side
