

My God

TJ4Christ

Verse 1:

You should know
That a deadbody
Cannot give God praise.
Shebi you know,
That youre standing here
Is only by His grace?
Some are lying in the hospital
Situations critical.
But here you are..
Through it all youve been saved!
It is true that not all your prayers have been answered.
But what you have,
Is another mans prayer!
So why dont you put your hands in the air?
Wave it like you dont care.
Sing with me
Just proclaim it!
Ill be counting all my blessings
Each & every day.
Thanking God for blessings thatll be coming on the way.
Oh yeah!
Chorus:
My God!
Can do!

Anything, anytime
Nothing is bigger than Him.
Repeat Chorus

Verse 2

Dont be afraid
When the economy doesnt seem to change.
Refuse to complain eh!
Just remember one thing
GOD IS NEVER LATE
It is true that not all your prayers have been answered.
But what you have,
Is another mans prayer.
So why dont you put your hands in the air?
Wave it like you dont care.
Sing with me
Just proclaim it!
Ill be counting all my blessings
Each and every da

Thanking God for blessings thatll be coming on the way.

Oh yeah!

DANCE! DEMONSTRATE!

If you know this God is good to you!

DANCE! DEMONSTRATE!

If you believe the things he can do!

(Repeat chorus)
