

# Hallelujah

Michael King

Nobody is greater than you God  
No one can stand against u God  
Nation's they bow before u God  
Heaven and earth adore you God  
You are the lifter of my head  
So I will lift my voice and say

Chorus

Halleluyah

You are worthy of my praise  
Awesome mighty God  
Glory to your name ×2

Nobody is greater than you God  
No one can stand against u God  
Nation's they bow before u God  
Heaven and earth adore you God  
You are the lifter of my head  
So I will lift my voice and say
