I Rise

[Louweezar](#)

[Verse 1]
Stronger, I'm better
Was lost, now I'm found
I'm free now, delivered
No longer bound
[Pre-chorus]
When you died for me
I came alive in you
Though my world may fall
I'll rise again
[Chorus]
I rise in you
I rise in you
You make all things new
I rise in you
I rise in you
In you, I am made new
Repeat Chorus
[Verse 2]
The battle is over
I have the victory
I triumph in Christ Jesus
Proclaiming liberty
Repeat Pre-chorus
Repeat Chorus
[Bridge]
With wings like eagles
I rise
High above the waves
I rise
Free from shackles and chains
I rise
Repeat Bridge
[Chorus]
I rise in you
I rise in you
You make all things new
I rise in you
I rise in you
In you, I am made new
[Pre-chorus]
When you died for me
I came alive in you

Though my world may fall
I'll rise again
Repeat Pre-chorus 3x
Repeat Chorus
[Refrain]
In you, In you
In you, I am made new
You make all things new
[Outro]
When you died for me
I came alive in you
Though my world may fall
I'll rise again
