

Beautiful God

Ryta Ritche

Oji akwa etiwa aki
With an egg You broke a palm kernel
Unquestionable papa
Ogbeni nija keru o bonija.
One who instills fear in you in the process of fighting your battle
Lion of the tribe of Judah
You are the alpha omega eh
Onise iyanu eh
God of wonders
Oghene woruno doh oh
God youve done so well,thank you
And I go love you forever
Okorobia di mma
Beautiful God
Agamakporogi si nala.
Ill bow before You
Lilly of the valley
Theres no one else like you
Lord of heaven and earth
You are full of power and might
The whole creations bow
At the mention of your name
Anya na ele uwa nile
The eyes that watches over the whole earth
Na you dey watch over our lives
Mercy grace and goodness
They surround your glorious throne
