Verse 2

When you look around the world
And see what's happening today
You'd see the need to thank the Lord
When you go to hospitals
And see people crying in pain
You'd see the need to thank the Lord
Having thought of your mates and your friends who are dead by now
You'd see the need to thank the Lord
You need to know that your living today is by His grace
Always be grateful to Him in your life
