

# Heaven's Kiss

D'yonce Pj

Fill me till I Overflow

I overflow

I overflow..

Oh Spirit come,

Fill every heart,

Until we overflow..

Your Presence known

Your power flow

Break every wall down.

Your Kingdom come

Your Will be done

Till heaven's kiss is felt

Oh Lord,

oh God

Reveal yourself...

We want all of You

Oh oh oh,

Oh oh oh,

Oh oh oh,

Oh oh oh. \*2

Your Kingdom come

Your Will be done

Till heaven's kiss is felt

My heart keep right

My eyes flood Light

That I May b like you..

Oh Lord

oh God

Reveal yourself

We want all of you.

Oh oh oh,

Oh oh oh,

Oh oh oh,

Oh oh oh. \*2

More , More of you

I want More,

more of you

More More of you

We need more,

more of you

Fill me till I want more

Fill me till I overflow..

Fill me till..

I overflow  
I overflow  
I overflow
