Emily Yoneh

Yeah Eh

Oh Oh

They are happening for me

Happening for you

They are happening for me o

Big things are happening for me o

Because I serve a big God

They are happening for me o

Because I serve a mighty God

Big things are happening for me o

Because I serve a biggy God o

They are happening for me o

Because I serve a mighty God

(Say)

Big things are happening for me o

Because I serve a big God

They are happening for me o

Because I serve a mighty God

Big things are happening for me o

Because I serve a big God

They are happening for me o

Because I serve a mighty God

Oh Oh Oh

Yeah Eh Eh Eh Yes

Jesus O

You're the lifter of my head

The rock on which I stand

The reason I am favoured

I see your beauty everywhere

I see your hands in all I do

It is more than I can say

But I recognize anyway

Say na You dey bless my life

Na You dey open doors for me o

You're the reason I am lifted ololo

I say na You dey bless my life o

Na You dey open doors for me o

You're the reason I am blessed

Blessed in the morning

In the noon and night

(Say...)

Big things are happening for me o

Because I serve a big God

They are happening for me o  
Because I serve a mighty God  
Big things are happening for me o  
Because I serve a big God  
They are happening for me o  
Because I serve a mighty God  
Everywhere I go
