

Arise Nigeria

Tonia Shodunke

Chorus: Arise, arise Nigeria, my motherland Arise, arise Nigeria, take your place
It's not the time to lose our hope To lose the faith we have inside
It is time to come together as ONE Forgetting all diversity, arise
Stop the wars so peace can reign It is time to rule, take your place.
Chorus: Arise, arise Nigeria, my Motherland Arise, arise Nigeria, take your place
I see the rising of the sun So wipe the tears away
It is time for the Green land to be pronounced across the Globe
Greatness beckons unto us Giants now arise It is time to rule and overcome.
Chorus: Arise, arise My Motherland Arise, arise Nigeria, take your place.
