

# I give my heart away

T Sharp

## Verse 1

Thinking bout the way you came there was something about you  
You restored my wasted years  
I will never forget you  
You gave to me your very best Lord  
You never let me down  
A very present help in time of need  
Your love for me so real

## Bridge

I I I I feel like am flying in the sky  
I I I I feel like am dancing with the stars  
No no no no one else can do the things you do with me the way you do the things you do  
You you you you have won my heart and blow away

## Chorus

I give my heart away  
Nobody like you  
You're my heaven rain  
And I will praise you  
You're the air I breathe my melody  
In you I live

## Verse 2

Tis so sweet to trust in Jesus  
Just to take him by his word  
Just to lean upon his promise  
Just to know thus says the Lord

## Repeat chorus

Heavens and the earth shall pass away your love remain the same  
No you never sleep you never change forever you are God  
I will sing my song for you  
I praise you my king
