

God of wonders

Debbie

God of wonders
We worship You alone
God of wonders
We honour You alone
God of wonders
We worship You alone
In the midst of storms
We honour You alone.

Chorus

I see Your power working
Your blessings ever pouring
Your anointing overflowing
The hope of every nation
Healing every nation
God of wonders
We worship You alone
God of wonders
We worship You alone
God of wonders
We honour You alone God of wonders
We worship You alone
In the midst of peace
We honour You alone

Chorus

I see Your power working
Your blessings ever pouring
Your anointing overflowing
The hope of every nation
Healing every nation
God of wonders
We worship You alone
Oh oh oh oh

You are God of wonders
God of wonders You are
You are God of wonders
And there is no one like You

God of wonders
We call You (3x)
God of wonders
We praise You (3x)
God of wonders
We bow before Your throne
God of wonders

I see You in the morning
I see You in the noon time
I see You in the night time
The hope of every nation
Healing every nation
God of wonders
We worship You alone.
