

Blessing & Honour

Isabella Melodies

Verse1 (Call & Response)

We your people gather
To declare Your glory
For You alone are worthy
Worthy to be praised
We have come to offer
Psalms of adoration
For You deserve our worship
In spirit and in truth

[Chorus]

Blessing and honour, Glory and power
All belong to You /2x

Verse 2 (Call & Response)

Men from every nation
Every tribe and language
United in our purpose
To glorify Your name
Every knee prostrating
Every tongue proclaiming
That You alone are sovereign
Forever You will reign

[Chorus]

Bridge

Heaven and earth may pass away
Still Your Word forever more will stay /2x

Chorus

Blessing and honour, Glory and power
All belong to You /4x
