

I have a Father

Gbenga Adenuga

Even though it is so hard to move on
Everybody around me couldnt help
Though they promised but they cannot meet up.
Even them, they have their own secret pains
Ive been long gone, trusting in man
Though they tried but they fail
But Im encouraged, no hope is lost
Let me tell you why
Ive a father that will never ever fail me
Ive a father that will never ever fail me
Jehova baba that will never ever fail me
Rock of ages never ever fail me
Ive a father that will never ever fail me
Ive a father that will never ever fail me
Jehova baba that will never ever fail me
Rock of ages never ever fail me
Even though it is so hard to move on
Everybody around me couldnt help
Though they promised but they cannot meet up.
Even them, they have their own secret pains
Ive been long gone, trusting in man
Though they tried but they all fail
But Im encouraged, no hope is lost
Let me tell you why
I ve a father that will never ever fail me
