

I pray

I pray by the spirit
I pray by my words
I pray by the power of Christ in me
I pray chains be broken
I declare gates are open
All these by the Power of Christ in me

I pray, I pray, I pray, by the Power of Christ in me

Where the word of the Lord is, there is Power
Ive been given a mouth the enemy cant contend
Ive been given a life thats not second to Gods kind of life

The lame will walk in His name
And now, I have the victory
