

# Be Quiet

## Sinach

Chorus: TY Bello

Be quiet! Every thought that fights my victory  
Oh, I say, be quiet! Every voice that doubts his words  
And so, I say, be quiet! Every thought that fights my victory  
Oh, I say, be quiet! I need to hear his voice

TY Bello

Hmmmnn, hmmmnn hmmmnn

Verse: Sinach

You're the still small voice, that I hear in my heart  
The voice of the stranger, you will not hear  
The shepherd knows his sheep, and the sheep hears his voice

TY Bello:

Voice of the stranger,  
I no longer understand

Chorus: TY Bello

Finally, I sing be quiet!  
Every voice that argues over his promises  
Oh oh, be quiet! Every voice that doubts his words  
And so, I say, be quiet! I need to hear,  
I need to hear my Father speak

TY Bello

Hmmmnn, hmmmnn hmmmnn
