

Great are you Lord

Zoe Harris

Verse

Oh Yeah.

Thank You Jesus

Took me from the lowly places

Picked me from the mire clay

Given me a new song to sing

Given me a brand new name

And I will declare, Youre the Son of God

The risen Jesus, Lamb upon the Throne

Chorus

I call You Great and Mighty

Great are You Lord

Youre here and invisible

Doing visible things

Great are You Lord (4x)

Repeat Verse and Chorus

You are Great (Great), Great (Great)

Great (Great, Great Oh God)
