

# Changing Lives

**Don Moen**

Someone asked a question  
Do you believe in these miracles  
How do you open blind eyes  
How can a lame man start walking  
What is the source of your strength  
Yes, I believe in these miracles  
I open the blind eyes by faith  
God is the source of my strength  
He's the same yesterday and today  
My God is still changing lives  
He's still around doing good  
He's my source of my strength  
My God is still changing lives  
Changing lives(3 times)  
My God is still changing lives  
If any man is in Christ  
He is a new creation  
Old things have passed away  
All things have become new  
Changing lives(3 times)  
My God is still changing lives  
My God is still changing lives  
He's still around doing good  
He's the source of my strength  
My God is still changing lives (3 times)
