

I'm not Alone

Benjamin Dube

I feel left alone in this place
All I used to have – gone away
What have I done to deserve? But

Refrain:

I'm not alone when I have You
You promised me, that You'll never leave me

Never forsake me (Repeat)

I've been with many people in a lot of places

But still felt all alone

I must admit when I'm with You

It feels that one is here with me

(Refrain)

I'm not alone, I'm not alone

When I am with You.... x?
