

You Are Wonderful

Onos Ariyo

You are wonderful
You are merciful
You are so faithful to me
You are wonderful
You are merciful
You are so faithful to me

Verse 2

My God keeps opening doors
Making a way, shining His light
In the darkness
My God keeps lifting my life
Blessing my home
Oh God I will praise you forever more
Whom Jesus Lifts
No one can bring him down
I decree promotion everywhere
Increase in your life
This year(3x)
The glory of God is revealed all over you
If you believe lift your voice and say

Verse 2

Excellent Jehovah
Death couldn't hold you down
You were hung upon the tree
Still you reign
Onye Ezi omume(He that does great things)
Akam di nelu eh(I lift my hands to you)
Ikperem di na ala eh(I kneel before you)
I return my praise to you
Chim le (My God)
Ihe oma i na emerem o(The things you keep doing for me)
Onum apughi iko ya(My mouth can't tell it all)
Biko nara ekele(Please accept my praise)
My God keeps opening doors
Making a way
Oh God!
I will praise you forevermore
