

# Before your throne

**Damilola Oluwatoyinbo**

## VERSE 1

Before your throne  
We humbly bow  
With everything we are  
And everything we ever hope to be  
And as we bow  
We won't hold back  
You've given us your all  
So we lay our all before you now  
Oh oh God

## CHORUS

We bow before your throne oh God  
We worship at your feet oh God  
In spirit and in truth oh God  
That's what we live to do

## VERSE 2

Before your throne  
We gladly bow  
Laying down our crowns  
Beholding your own loveliness  
And as we bow we see you now  
Lighting up our lives  
Illuminating every part of us  
Oh oh God

## CHORUS

We bow before your throne oh God  
We worship at your feet oh God  
In spirit and in truth oh God  
That's what we live to do
