

Loving You

Samuel Wealthmusic

Intro:

uuuuh yea eeh eeh eeh

Solo 1:

Loving you is beautiful
and I dont wanna stop
loving you brings out the best in me
you and I will always be
no matter what we face
till the end our love will remain strong
(Repeat solo)

Chorus:

after all weve been through
together were still strong
you and I were meant to be
many thought that we would fail
but they were so wrong yeah
Im so glad that Ive got you (ooh)
stay with me forever and
never let go
we can make it last forever
youre my love
youre my joy
we will be together
giving thanks to God for all things
uuuuuuuuuuuh

Solo 2:

Youre my love my dream come true
youre my heart desire
everyday i love you more and more
yeaaah, and no matter what we face
we will overcome yeaaah
you and I will stand as one
ohooh

Chorus:

after all weve been through
together were still strong
you and I were meant to be
mmmm
many thought that we would fail
but they were so wrong yeah
Im so glad that Ive got you
stay with me forever and never let go
we can make it last forever

youre my love
youre my joy
we will be together
giving thanks to God for all things
(Repeat chorus twice)
giving thanks to God
giving thanks to God
giving thanks to God for all things
I love you
I love you
I love you
uuh uuuuh.
