Emmanuel is your name
Alpha and omega that's whom you are
My daily offerings Lord I bring to you now before your throne
Accept it Lord/2x
I look around and see your faithfulness
There's no way I could show my gratitude
I'm rather here now and I make this rhythm just unto you

Oh my Lord ooo yea
(Imela o)
*Repeat.

Verse 2.

Jesus you have been a perfect man from age to age yea
I remember in the bible how you healed the blind and you made the lame walk

You are the living waters
Center of my joy and my irreplaceable
Emmanuel..
