

Great and Mighty God

God'swill Asuatang

At the mention of Your name
Every knee shall bow
Oh God, How great You are
How great You are
You are seated in heavens
And You made the earth Your footstool
Lord, How great You are
How great You are
Chorus
You are a great and mighty God
A great and mighty God
You are a great and mighty God
A great and mighty God
All our praises we sing to You
Oh God, How great You are
How great You are
I say without You
There is no me
Oh Lord, How great You are
How great You are
Repeat Chorus
Bridge
Heaven and earth adore You
Angels bow before You
Great God You are
Heaven And earth adore You
Angels bow before You
Great God You are
You are a great and mighty God
You are a great and mighty God
You are a great and mighty God
You are a great and mighty God
Heaven and earth adore You
Angel bow before You
Great God You are
Heaven and earth adore You
Angels bow before You
Great God You are
